

RODRICK TOM WAMBOYE

Biomedical Technologist | Busia, Kenya | Phone: +254 702 923347 / +254 101 973905 | Email: rodrickt161@gmail.com

Professional Summary

Biomedical Technologist experienced in installation, preventive maintenance, calibration, and repair of hospital medical equipment. Skilled in troubleshooting electrical and biomedical faults, supporting surgical procedures using imaging systems, and ensuring equipment safety and reliability in clinical environments. Adept at working with multidisciplinary hospital teams to maintain critical medical technology and support quality patient care.

Core Competencies

- Biomedical Equipment Installation and Commissioning
- Preventive Maintenance and Corrective Repairs
- Medical Equipment Troubleshooting and Diagnostics
- C-arm Surgical Imaging System Support
- Electrical and Electronic Fault Diagnosis
- Medical Equipment Safety Testing and Compliance
- Hospital Equipment Asset Management
- Technical Support for Clinical Teams
- Maintenance Documentation and Service Reporting

Equipment Expertise

- Operating Theatre: Patient Monitors, Anesthesia Machines, Electrosurgical Units, Autoclaves, C-arm Imaging Systems
- Laboratory: Hematology Analyzers, Centrifuges, Microscopes, Chemistry Analyzers
- Dental: Dental Chairs, Dental Compressors, Ultrasonic Scalers, Dental X-ray Units
- Maternity / Ward: Infant Warmers, Suction Machines, Fetal Dopplers, Infusion and Syringe Pumps

Professional Experience

Biomedical Technologist – Langoni Hospital, Lamu (May 2025 – Present)

- Install and commission medical equipment across hospital departments.
- Perform preventive maintenance and corrective repairs to minimize equipment downtime.
- Diagnose electrical and biomedical faults and implement technical solutions.
- Support clinicians with safe operation of medical devices.
- Maintain service records, maintenance schedules, and equipment documentation.

Biomedical Technologist – Mediheal Hospital & Fertility Centre, Eldoret (Dec 2021 – Mar 2024)

- Maintained diagnostic and therapeutic medical equipment.
- Supported surgical teams in procedures requiring C-arm imaging systems.
- Performed equipment inspection and preventive maintenance.
- Collaborated with clinicians to ensure safe and effective equipment use.

Biomedical Technologist (Attachment) – Busia County Referral Hospital, Busia (Mar 2021 – Jun 2021)

- Provided electrical repairs and technical support for hospital equipment.
- Assisted in safety evaluation and inspection of biomedical devices.
- Maintained equipment inventory records and asset documentation.

Education

- Diploma in Biomedical Engineering – Kenya Institute of Applied Sciences (2017 – 2020)
- KCSE – Butula Boys High School (2013 – 2016)
- KCPE – Nambale Township Primary School (2004 – 2012)
