The Hiring Manager
Accord Medical Supplies Ltd

Dear Hiring Manager,

RE: APPLICATION FOR THE POSITION OF TECHNICAL SALES ENGINEER

I am writing to express my interest in the Technical Sales Engineer position at Accord Medical Supplies Ltd. I am a Biomedical Engineering Technologist with practical experience in technical support, medical equipment sales, customer engagement, and after-sales service.

I have worked as a Technical Support and Sales Associate at Vinco Medical Supplies Ltd, where I was involved in the installation, troubleshooting, demonstration, and maintenance of medical equipment. I also provided technical guidance and user training to healthcare professionals while supporting clients with after-sales services and maintenance requirements.

Additionally, I served as a Sales Representative at Phamsha Medical Supplies, where I promoted medical products, developed and maintained client relationships, and provided product information and basic technical support to healthcare facilities.

My academic training in Medical Engineering Technology, combined with my hands-on experience in medical equipment and customer relations, has equipped me with the skills necessary to effectively promote healthcare solutions, understand customer requirements, and deliver exceptional technical support.

I am highly motivated, results-oriented, and passionate about contributing to improved healthcare delivery through innovative medical technologies. I am confident that my technical expertise and sales experience will enable me to make a valuable contribution to Accord Medical Supplies Ltd.

I have attached my curriculum vitae for your consideration and would welcome the opportunity to discuss my qualifications further.

Thank you for your time and consideration. I look forward to hearing from you.

Yours faithfully,

Alice Musyawa Mutua
