The Hiring Manager
Accord Medical Supplies Limited
Nairobi

RE: APPLICATION FOR TECHNICAL SALES ENGINEER POSITION

Dear Hiring Manager,

I am writing to express my interest in the Technical Sales Engineer position at Accord Medical Supplies Limited.

I hold a Diploma in Medical Engineering from Kabete National Polytechnic and have gained practical experience working with medical equipment in both healthcare and medical equipment supply environments. Through my experience, I have developed a strong understanding of healthcare technologies, customer needs, and the role that quality medical equipment plays in improving patient care.

Beyond my technical background, I possess strong communication, presentation, and relationship-building skills that enable me to engage confidently with healthcare professionals and decision-makers. I enjoy interacting with customers, understanding their requirements, and helping them identify solutions that best meet their needs.

I am particularly excited about this opportunity because it combines my knowledge of medical equipment with my interest in sales, customer engagement, and business development. I am confident that my enthusiasm, adaptability, and willingness to learn will enable me to contribute positively to Accord Medical Supplies Limited while supporting the company's growth objectives.

I would welcome the opportunity to discuss my qualifications further and demonstrate how I can contribute to your team.

Thank you for your time and consideration.

Yours faithfully,

Benedette Chebet
