- Repair, Calibration and maintainance of dialysis machines.

2. CCU:

- Repair and maintainance with repair of ventilators, syringe and infusion pumps.

3. Wards and Clinics:

- Calibration of dental chair and slit lamps.
- Repair of blood pressure machines.

4. Radiology:

- Repair of x-ray machines, c-arm, ct scan and IA.
- MRI, Cobalt 60 and LINAC.

5. Medical gases unit:

- Taking records of oxygen plant.
- Maintainance of liquid oxygen plant.

6. Accident and Emergency:

- Dealt with lab machines such as the chemistry analyzer.
- Haematology analyzer.

7. Theatre and CSSD

- Surgical Diathermy and heart lungs machine.
- Patient Monitor and anaesthesia machine.
- Calibration repair and maintainance CSSD equipments.

Kindly accord him the necessary assistance he may require.
