To the Hiring Manager,
Accord Medical Supplies.

RE: Application for Technical Sales Engineer

Dear hiring manager, I am writing to express my interest in the technical sales engineer position at Accord Medical Supplies. As a biomedical engineer with practical experience in medical equipment installation, servicing, troubleshooting and customer support, I am excited about the opportunity to combine my technical expertise with my passion for building client relationships and delivering healthcare solutions.

I hold a degree in medical engineering and currently work as a biomedical engineer, where I support preventive maintenance, equipment repair, procurement, testing and user training for a wide range of medical devices. In addition, through my work with Medwish Company, I have had the privilege of international procuring, installing and servicing different equipment. These experiences have given me a strong understanding of healthcare technologies and the ability to explain technical concepts to healthcare professionals in a practical and customer-focused manner.

My technical background, combined with my enthusiasm for engaging with customers, positions me well to succeed in a technical sales role. Additionally, I am a self-motivated, adaptable, and results-oriented professional who enjoys working in dynamic. I am eager to contribute to Accord Medical Supplies' continued growth by promoting innovative medical technologies, strengthening customer relationships and delivering exceptional service to healthcare providers.

I would welcome the opportunity to further discuss how my skills align with your organization's goals. Thank you for your time and consideration. I look forward to hearing from you.

Yours sincerely,

Daniel Geshe.
