THE HUMAN RESOURCE OFFICE,
ACCORD MEDICAL SUPPLIES
NAIROBI

Dear sir/madam,

RE: SALES EXECUTIVE

I am writing to express my interest in the Sales Position at Accord Medical Supplies. I am highly motivated to join your team and contribute to the distribution and promotion of quality medical and laboratory equipment.

With a background in medical laboratory practice, I have gained hands-on experience working with diagnostic equipment and understanding their application in clinical settings. This exposure has equipped me with the technical knowledge necessary to effectively communicate product value to healthcare professionals and support their decision-making.

In addition, I possess strong communication and interpersonal skills that enable me to build and maintain professional relationships with clients. I am confident in my ability to identify customer needs, provide suitable solutions, and achieve sales targets. I am also self-driven, adaptable, and eager to learn, which allows me to perform well in dynamic and competitive environments.

I am particularly interested in Accord Medical Supplies because of its role in supporting healthcare services through reliable diagnostic solutions. I am eager to contribute to your mission while growing my career in medical sales.

I would appreciate the opportunity to discuss how my skills and experience align with your needs. Please find my CV attached for your consideration.

Thank you for your time and consideration.

Yours sincerely,
Kilonzi Nduva.

KILONZINDUVA

RESUME

Address: 109-90205, Nairobi, Kenya | +254704145749

PROFESSIONAL SUMMARY.

Dedicated and resourceful Medical Laboratory Officer with a strong commitment to patient care and laboratory excellence with a degree in Medical Laboratory Science acquired through rigorous training and practical experience in clinical settings. I possess comprehensive technical knowledge and skills in laboratory procedures and diagnostics. I am committed to fostering a collaborative and efficient laboratory environment, ensuring adherence to safety and quality standards. My adaptability allows me to address diverse patient needs and optimize laboratory workflows. Passionate about continuous learning and improvement, I strive to enhance laboratory services and support the healthcare team in delivering optimal patient outcomes. I am skilled in building positive relationships with colleagues, patients, and stakeholders, promoting a culture of teamwork and excellence.

CAREER OBJECTIVES.

To secure a challenging position as a Medical Laboratory Officer in a reputable healthcare facility where I can expand my skills and knowledge in laboratory practices.

To apply my educational background in Medical Laboratory Science and practical experience to solve complex problems, enhancing both patient care and laboratory efficiency.

To leverage my commitment to collaboration and adaptability to support the healthcare team in achieving high-quality diagnostic outcomes and promoting a positive laboratory environment.

To establish a career in a respected laboratory setting that fosters professional growth and allows me to contribute meaningfully to the organization's goals.

To engage in continuous professional development, staying updated with the latest advancements in laboratory technology and techniques to ensure the highest standards of care.
