Naivasha Referral Hospital

July – August 2019

March – April 2021

February – April 2022

Gained hands-on experience in biomedical equipment maintenance.

Assisted senior engineers during servicing and installations.

Learned hospital safety procedures and equipment handling standards.

#### **KEY SKILLS**

Medical equipment maintenance and troubleshooting

Preventive maintenance planning

Equipment installation and calibration

Technical documentation and reporting

Communication and teamwork

Problem-solving skills

Time management

## PERSONAL ATTRIBUTES

Self-driven and hardworking

Honest and reliable

Good communication skills

Ability to work under minimal supervision

## INTERESTS & HOBBIES

Reading

Voluntary work

Social engagement

## REFEREES

1. Mr Jesse Biwott

Manager,AIC Kijabe
