Dear Sir / Madam.

RE: APPLICATION FOR POSITION OF BIO-MEDICAL ENGINEER.

I am writing to apply for position of bio-medical engineer at your organization. I am motivated and detail orientated with hands on experience in installation, troubleshooting, repair and sales of medical equipment.

Currently, I work with Matras bio-medical solutions, where I am involved in installation and servicing wide range of medical equipments. I also engage with clients in technical support and equipment sales which has strengthened my communication and customer service skills.

I am able to work independently, under pressure and deliver reliable solutions in demanding environment. I am highly interested in joining your organization to contribute my technical skills and dedication to improve healthcare technology. I would appreciate the opportunity. Thank you for your consideration.

Yours faithfully
