Summary

Experienced Biomedical Engineer with graduation thesis title “**web based biomedical engineer management and task delivery system**”. Experienced with maintenance, procurement, calibration and installation of medical devices. Well-versed in numerous programming languages. Committed to applying my knowledge to develop medical devices and effective healthcare solutions that improve patient care and outcomes.

Skill Highlights

- Medical device maintenance
- Supplier engagement
- Research and development
- Procurement of medical device
- tender management
- Installation and calibration of medical device
- Quality management system

Education

Bachelor of Science: **Biomedical Engineering** - 2022

University Of Gondar, Gondar, Ethiopia with **CGPA- 3.6**

Experience and Internship

- Technical Support Internship – Tikur anbessa specialized hospital (June 10-february 20, 2021-2022)
- Training course on clinical laboratory equipment for biomedical engineering (august 24, 2022-september 01, 2022)
- Technical Support Internship – Afro germen EST PLC.
- As biomedical service engineer at j-solution (jan-may 2023)
- As biomedical engineer at grum hospital(aug 2023-feb 2024)
- N/S/L/S/City woreda 5 biomedical engineer (feb – sep 2024)
- Wardar general hospital in Somali region biomedical engineer (sep 2024- Apr 2026)

Certifications/Recommendations

- Basic Senior Level Cold Chain Equipment Maintenance training(Clinton health Access Initiative).
- National medical management information system (MEMIS 2) training
- Technical training on PMLS and MIS line Defibrillator(D3) and MobiEye 700(DR60) x-ray
- MNCH medical device training
- Digital x-ray and ultrasound machine imaging training
- Abel Belay, Lecturer and Head of Department of Biomedical Engineering in university of Gondar (Email: abelbelay98@gmail.com)
- Bruhtesfa Muhabaw Lecturer, University of Gondar, IoT, Department of Biomedical engineering (Phone number- 0935998860).

Will be provided upon request.

ማዴታቸውን ሲወጡ የሚሰጣቸው ይሆናል ።

This Certificate is issued to **Daniel Edilu Terre** upon his
graduation with the Degree of **Bachelor of Science in
Biomedical Engineering** on **September 01, 2022** G.C.
His grades are **CGPA 3.6**. The original Diploma and
Transcript will be issued upon the discharge of cost sharing
duty.
