CAREER OBJECTIVE

A highly motivated and detail-oriented Medical Engineering graduate seeking an opportunity to apply academic knowledge and practical skills in medical equipment installation, maintenance, and management. Committed to supporting healthcare delivery through efficient and safe operation of biomedical equipment.

KEY SKILLS

- Medical equipment installation and maintenance
- Troubleshooting and calibration
- Preventive maintenance planning
- Knowledge of hospital safety standards
- Basic electrical and electronic skills
- Computer literacy

PERSONAL ATTRIBUTES

- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities
- Detail-oriented and safety-conscious
- Quick learner, adaptable, and reliable

WORK EXPERIENCE

Medical Engineering Attachee

Kericho County Referral Hospital & Siloam Hospital, Kericho

- Gained hands-on experience in departments including dialysis, endoscopy, laboratory, general ward, and ICU
- Assisted in installation, maintenance, and repair of medical equipment
- Performed troubleshooting and calibration of devices
- Supported preventive maintenance programs to ensure equipment efficiency
- Participated in safety checks and compliance with hospital standards

INDUSTRIAL ATTACHMENT

Siloam Hospital – Kericho

Medical Engineering Attachment Student

21 Nov 2022 – 13 Jan 2023

- Assisted in repair and maintenance of patient monitors, suction machines, and infusion pumps
- Participated in preventive maintenance schedules
- Conducted safety checks and calibration of biomedical equipment

Kericho County Referral Hospital

Attachment Student

Feb – Apr 2022 & Feb – Apr 2025

- Supported biomedical engineering team in daily operations
- Assisted in installation and routine maintenance of diagnostic machines
- Documented service reports and managed equipment records

EDUCATION

Kenya Medical Training College (Eldoret Campus)

Diploma in Medical Engineering

Completed: 2025

Kenya Medical Training College (Kisii Campus)

Certificate in Medical Engineering

- Specialized in installation, troubleshooting, calibration, and maintenance of medical equipment
- Studied biomedical instrumentation, electronics, electrical systems, and healthcare technology

RECOMMENDATION LETTER FOR TABITHA MEKENYE ID:38942650

The above named person was on attachment at our facility for a period of two months 21st November 2022 to 13th January 2023 at biomedical engineering department.

During this period she was able to rotate in the following departments and encountered the following equipment's among others;

- **Outpatient department;** vital signs monitor, weighing scale etc.
- **Inpatient department;** patient monitors, suction machines, oxygen concentrators etc.
- **Radiology department;** CT scan, ultrasound, X-ray machine etc.
- **Theatre department;** anesthetic machine, operating table, diathermy unit etc.
- **Laboratory;** biochemistry machine, hematology, centrifuge etc.
- **Icu;** mechanical ventilator, bipap machines etc.
- **Dialysis;** dialysis machines, water treatment plant etc.
- **NBU;** infant incubators, baby warmers etc.

She is polite, well behaved, industrious punctual and respectful student.

Any assistance accorded to her is appreciated and more information is required please do not hesitate to contact the under signed
