

MECHANICAL ENGINEERING TECHNICIAN

Workshop and AutoCAD | Technical Training and Instruction | Power Transmission and Material Handling | Hydraulic and Pneumatic Systems Know-How | Assessment and Evaluation of Machine Operations | Team Collaboration and Communication | Mechanical System Design and Analysis | Preventive and Predictive Maintenance | CAD/CAM and 3D Modeling (SolidWorks, Inventor) | Thermodynamics and Fluid Mechanics | Quality Assurance and Safety Compliance | Troubleshooting and Problem Solving | Project Planning and Execution | Cost Estimation and Resource Management | Technical Documentation and Reporting | Process Optimization and Continuous Improvement | Leadership and Mentoring of Technical Teams

Tel: 0722 954040 | Email: obadiahmus@gmail.com | Address: Nairobi, Kenya |

PROFESSIONAL PROFILE

I am a versatile Mechanical Engineer and Technical Trainer with a strong foundation in engineering principles, technical operations, and applied problem-solving. I have experience in designing, implementing, and optimizing mechanical systems and processes across plant technology, machinery, and workshop operations. I am skilled in lesson and project planning, cross-functional collaboration, and applying innovative, data-driven solutions to improve efficiency, safety, and performance. I am also adept at delivering engaging, hands-on training, mentoring technical teams, and clearly communicating complex concepts to diverse stakeholders while fostering a culture of continuous learning and improvement.

Professional Strengths:

- **Mechanical Engineering Expertise:** Strong foundation in engineering principles, plant technology, and system optimization.
- **Technical and Vocational Training:** Delivering hands-on, student-centered instruction to develop industry-ready skills.
- **Workshop Practices and Machine Operations:** Proficient in managing practical sessions and supervising operations for maximum efficiency.
- **Curriculum Development and Lesson Planning:** Designing and implementing structured training materials aligned with industry standards.
- **Machine Installation and Commissioning:** Skilled in installing, testing, and optimizing industrial machinery and equipment.
- **Hydraulic and Pneumatic Systems Knowledge:** Applying technical know-how to operate, maintain, and troubleshoot fluid power systems.
- **Project Planning and Supervision:** Coordinating and overseeing projects to achieve targets, meet deadlines, and enhance outcomes.
- **Communication and Collaboration:** Building productive relationships with multidisciplinary teams and stakeholders.
- **Leadership and Mentoring:** Guiding, supporting, and motivating students and teams to achieve their full potential.
- **Adaptability and Flexibility:** Quickly learning and integrating emerging technologies and adjusting to dynamic work environments.
- **Problem-Solving and Critical Thinking:** Analyzing complex issues and implementing effective, data-driven solutions.

- **Interpersonal Skills:** Demonstrating empathy, patience, and active listening to support students and colleagues.
- **Time Management and Organization:** Prioritizing tasks and managing multiple responsibilities efficiently.
- **Creativity and Innovation:** Developing new ideas, teaching methods, and process improvements to enhance learning and performance.
- **Continuous Improvement Mindset:** Committed to lifelong learning and ongoing professional development.

PROFESSIONAL EXPERIENCE

PART TIME TRAINER | 5TH JANUARY – 31ST MARCH 2026

KENYA INSTITUTE OF HIGHWAYS AND BUILDING TECHNOLOGY

Key Contributions:

- Strategic lesson planning and dynamic delivery on Mechanical Science, Plant Theory and Technology, Mathematics I and Workshop Technology to enhance students' technical ability and problem-solving skills
- Organizing and facilitating hands-on, result-driven workshop activities enabling Plant Technology and Workshop Technology students to develop industry-ready competencies and practical expertise
- Guiding and supervising students in developing business plans and trade projects, fostering entrepreneurship and applied learning
- Facilitating formative and summative assessments to ensure continuous improvement and provide actionable feedback on student performance
- Guidance and mentorship to help address gaps, improve outcomes, and support personal growth

PART TIME TRAINER | 28TH AUGUST – 28TH NOVEMBER 2025

KENYA INSTITUTE OF HIGHWAYS AND BUILDING TECHNOLOGY

Key Contributions:

- Planning and delivering high-impact lessons on Mechanical Science, Plant Theory, and Technology to enhance students' technical proficiency and problem-solving skills
- Organizing and facilitating hands-on workshop activities enabling Plant Technology students to develop industry-ready competencies and practical expertise
- Guiding and supervising students in developing business plans and trade projects, fostering entrepreneurship and applied learning
- Facilitating formative and summative assessments to drive continuous improvement and provide actionable feedback on student performance
- Evaluating individual student needs and providing tailored guidance and mentorship to address gaps, improve outcomes, and support personal growth

PART TIME TRAINER | 5TH MAY 2025 – 31ST JULY 2025

KENYA INSTITUTE OF HIGHWAYS AND BUILDING TECHNOLOGY

Key Contributions:

- Planned and delivered comprehensive course content on Engineering Mathematics I, Mechanical Science, Plant Theory, and Technology, improving student technical proficiency and examination pass rates
- Organized and facilitated practical workshop activities for Plant Technology students, equipping them with industry-ready skills and increasing hands-on competency

- Guided and supervised students in creating business plans and trade projects, fostering entrepreneurial thinking and real-world application of classroom knowledge
- Facilitated formative and summative assessments to monitor progress, identify learning gaps, and enhance overall student performance
- Provided individualized guidance and counseling on life skills, contributing to improved student confidence, retention, and personal development

ATTACHE TRAINER | 13TH JANUARY 2025 – 4TH APRIL 2025

KENYA INSTITUTE OF HIGHWAYS AND BUILDING TECHNOLOGY

Key Contributions:

- Delivered lessons on plant technology, workshop practices, and mechanical science to students, increasing technical competency and participation
- Planned and implemented training activities in plant and workshop technology, aligning with industry standards and practical skill development
- Designed and administered formative and summative assessments, enhancing student feedback and learning outcomes
- Incorporated educational psychology principles to boost student engagement and retention

ATTACHÉ PLANT MAINTENANCE | OCTOBER 2024 – DECEMBER 2024

NUMERICAL MACHINING COMPLEX

Key Contributions:

- Carried out preventive and corrective maintenance on machines to ensure reliability and minimize downtime
- Evaluated machine operations to identify inefficiencies and reduce breakdowns
- Assisted in facilitating smooth and systematic machine operations across multiple departments

ATTACHÉ MACHINE INSTALLATION | JANUARY 2022 – MARCH 2022

KISYET TEA FACTORY

Key Contributions:

- Built machine bases and prepared installation areas to meet engineering specifications
- Outlined and set up accurate installation points to ensure compliance with correct processes
- Installed various machines used in automated tea processing, improving operational efficiency

ATTACHÉ MACHINE OPERATOR AND MAINTENANCE | JANUARY 2021 – MARCH 2021

MAU TEA MULTIPURPOSE FACTORY

Key Contributions:

- Operated machines in the CTC, CFU, and Oven sections, ensuring adherence to production targets and quality standards
- Conducted scheduled maintenance to enhance productivity and maximize output
- Repaired and replaced broken parts to reduce downtime and extend machine lifespan

EDUCATION

Diploma in Technical Trainer Education | January 2024 – April 2025

KSTVET

Diploma in Mechanical Engineering (Industrial Plant) | 2019 – 2023

Kenya Institute of Highways and Building Technology

Kenya Certificate of Secondary Education (K.C.S.E)| 2018
Kabokyek Adventist Secondary School

Kenya Certificate of Primary Education (K.C.P.E) | 2014
Bomet Township Primary School

PROFESSIONAL REGISTRATIONS & CERTIFICATIONS

Driving School (Kenya Institute of Highways and Building Technology) | December 2025

Certificate in Computer Packages | January - February 2019

LANGUAGES

ENGLISH - Fluent & Proficient

SWAHILI - Fluent & Proficient

INDUSTRY EXPERTISE

- **Mechanical Engineering and Plant Technology:** Applying core engineering principles to design, maintain, and optimize mechanical systems and plant operations.
- **Technical and Vocational Training:** Delivering hands-on instruction and mentorship to students to develop industry-ready skills.
- **Workshop Practices and Machine Operations:** Managing and supervising practical workshop activities to improve technical competence.
- **Plant Maintenance and Process Optimization:** Conducting preventive and corrective maintenance to ensure operational efficiency and minimize downtime.
- **Machine Installation and Commissioning:** Installing, testing, and commissioning industrial machinery in compliance with engineering standards.
- **Hydraulic and Pneumatic Systems:** Applying technical know-how to operate, troubleshoot, and maintain fluid power systems.
- **Preventive and Predictive Maintenance:** Implementing maintenance strategies to extend machine life and reduce breakdowns.
- **Engineering Education and Curriculum Development:** Designing lesson plans, assessments, and training materials to align with industry standards.
- **Quality Assurance, Safety, and Compliance:** Ensuring adherence to safety regulations and quality management protocols.
- **Project Planning, Supervision, and Evaluation:** Coordinating and overseeing projects to achieve targets, meet deadlines, and improve outcomes.

KERICHO.

TO WHOM IT MAY CONCERN:

OBADIAH MUS KIPRUTO- ID NO: 39375956

The above named person has been on attachment at this factory for a period of three months from 3rd January 2022 to 25th February 2022. During his stay he was fully exposed in the installation in the following areas: -

- 1.CTC machines rotor vanes and weigh feeder.
- 2.Continuous Fermenting Machine[CFM].
- 3.Withering machines [CCW and CPW].
- 4.Driers.
- 5.Welding and fabrication works.

He has shown excellent practical performance, high standards of discipline, punctuality and commitment to his work. We wish him all the best in his remaining courses and would therefore recommend him to any employer who might be interested.

WYCLIFF KORIR
OUTGROWERS MANAGER.

TO

WHOEVER IS CONCERNED

DEAR SIR/MADAM,

REF: RECCOMENDATION FOR MR. KIPRUTO OBADIAH C/O KHDT:

This is to confirm that the above named under-took his industrial attachment at our organization for three months from 16th February 2021 to 16th April 2021.

During his attachment he was exposed to various operations in our tea factory from green leaf receiving, through the processing line up to packing and dispatch of made. His main training focus was on Engineering and Maintenance aspects of the Tea Factory including the following;

- Weekly preventive maintenance programmes in the mechanical section.
- Occasional breakdown maintenance works in both electrical and mechanical sections.
- New machine installations and replacement of worn out parts e.g. bearings, sprockets, chains and shafts.
- Maintenance of fans (alignment, lubrication, bearing and belt replacements).
- Pump maintenance.
- Alignment of drive systems and replacement of v-belts.
- Lubrication of equipment.
- CTC roller sharpening and replacement of worn out rollers in the CTC banks.
- Maintenance of steam supply lines and condensate lines.
- Boiler routine maintenance and inspection.
- Maintenance of compressed air systems and water supply systems.
- Daily inspection of machinery and reporting.

During his attachment, Obadiah proved to be a fast learner and a diligent young man who worked well with others and his supervisors.

We take this opportunity to wish him well in his studies and future career.

Yours Faithfully,

Jackson K. Ronoh
