The Hiring Manager

Accord Medical Supplies Limited

RE: APPLICATION FOR THE POSITION OF TECHNICAL SALES ENGINEER

Dear Hiring Manager,

I am writing to express my interest in the position of Technical Sales Engineer at Accord Medical Supplies Limited. I hold a Bachelor of Science degree in Microbiology and have gained valuable experience in sales, customer relationship management, product promotion, and business development. I am confident that my combination of scientific knowledge, sales skills, and passion for healthcare solutions makes me a suitable candidate for this role.

My background has equipped me with the ability to understand technical products, communicate product benefits effectively, and provide solutions based on customer needs. Through my previous experience with Mogo, AA Kenya, and Phoenix, I have developed strong skills in client acquisition, sales presentations, customer follow-up, negotiation, and building long-term professional relationships.

I have experience engaging with customers, identifying opportunities, understanding market needs, and working towards achieving sales targets. I am comfortable interacting with different stakeholders, presenting solutions professionally, and supporting business growth through effective sales strategies. My strong communication and interpersonal skills enable me to build trust with clients and maintain positive relationships.

My academic training in Microbiology has also strengthened my analytical thinking, attention to detail, and ability to quickly learn and explain technical information. I believe these skills will allow me to effectively understand medical products and communicate their value to healthcare professionals and other clients.

I am a self-motivated, hardworking, and results-oriented individual who is eager to contribute to the growth of Accord Medical Supplies Limited. I am willing to explore new markets, develop business opportunities, and use my sales abilities to increase customer satisfaction and company performance.

I would appreciate the opportunity to discuss how my skills and experience can contribute to your team. Thank you for considering my application. I look forward to the opportunity to attend an interview.

Yours sincerely,

Bonface Nyakundi
