

COLLINS OMWENGA MAYAKA

Biomedical Technician

■ 0712 134 996 | ✉ omwengamayaka@gmail.com

P.O. Box 75 – 30100, Eldoret | Kenya

PROFESSIONAL SUMMARY

Dedicated Biomedical Technician with hands-on experience in installation, calibration, preventive maintenance, and troubleshooting of medical equipment. Proven ability to support clinical teams in delivering safe, efficient, and reliable patient care. Skilled in emergency repairs, equipment training, and ensuring compliance with biomedical safety standards.

KEY TECHNICAL SKILLS

- 1 Preventive maintenance and repair of biomedical equipment
- 2 Electrical and electronic troubleshooting
- 3 Installation, calibration, and commissioning of devices
- 4 Biomedical safety testing and compliance
- 5 Maintenance documentation and reporting
- 6 Hospital equipment inventory management
- 7 Emergency repair and rapid troubleshooting
- 8 Strong teamwork and communication with clinical staff

BIOMEDICAL EQUIPMENT EXPERIENCE

High-Value Equipment: Ventilators, Anesthesia machines, X-ray machines, Ultrasound machines, Dialysis machines

General Equipment: Patient monitors, ECG machines, Defibrillators, Infusion pumps, Syringe pumps, Autoclaves, Suction machines, Oxygen concentrators, Nebulizers, Digital thermometers & vital signs monitors

PROFESSIONAL EXPERIENCE

Biomedical Technician Intern – Fountain Hospital (Jan 2024 – Dec 2024)

- 1 Performed preventive maintenance and safety checks on critical equipment
- 2 Diagnosed and repaired faults in various biomedical devices
- 3 Assisted in installation and calibration of equipment
- 4 Maintained service logs and reports
- 5 Trained clinical staff on equipment usage
- 6 Responded to emergency repair requests
- 7 Managed inventory and spare parts
- 8 Collaborated with clinical teams

Biomedical Engineering Attachment – Rapha Hospital (Sep 2022 – Dec 2022)

- 1 Assisted in maintenance and troubleshooting of hospital equipment
- 2 Participated in calibration and safety testing
- 3 Supported installation of new devices
- 4 Maintained documentation and inventory
- 5 Provided technical support to staff
- 6 Conducted fault analysis
- 7 Ensured compliance with standards

8 Assisted in emergency repairs

EDUCATION

Diploma in Medical Engineering – Rift Valley Technical Training Institute (2019–2023)

KCSE – Wareng High School (2015–2018)

KCPE – Neema School (2007–2014)

COMPUTER SKILLS

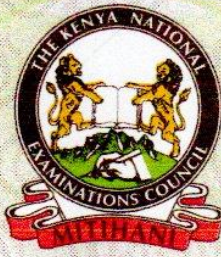

Microsoft Word & Excel, Maintenance reporting systems, Basic biomedical equipment software configuration

TO WHOM IT MAY CONCERN

RE: RECOMMENDATION FOR COLLINS OMWENGA MAYAKA OF ID NO 36536448.

I am pleased to write this letter of recommendation for Collins, who completed a 6-month internship program at Fountain Healthcare as a Biomedical Engineer from 4th January 2024 to 30 July 2024. He demonstrated exceptional technical skills, professionalism, and a strong work ethic during this period.

Throughout the attachment program, he was involved in various projects and tasks, including but not limited to:

- Conducting regular maintenance and calibration of biomedical equipment.
- Assisting in troubleshooting and repairing faulty devices.
- Participating in the installation and configuration of new medical equipment.
- Collaborating with clinical staff to ensure optimal functionality and safety of medical devices.
- Documenting maintenance activities and preparing detailed reports.

He quickly adapted to our work environment and became a commendable team member. His ability to learn new concepts and apply them effectively was exceptional.

Moreover, Collins displayed excellent interpersonal skills, effectively communicating with colleagues, supervisors, and other stakeholders. Their positive attitude and willingness to assist others contributed to a collaborative and productive work atmosphere.

I recommend him for any position or opportunity that aligns with his skills and aspirations.

Please feel free to contact me through the HR office at hr@fhc.co.ke, if you require any further information or clarification.

Sincerely,

Peter Kipkemai

TO WHOM IT MAY CONERN

REF: PRACTICAL ATTACHMENT FOR COLLINS MAYAKA

ADM 119R03175 ID NO. 38613740

The above-named medical engineering student did his attachment in this facility from 01/09/2021 to 01/12/2021.

During this period, he was industrious, hardworking, consistent and honest. He got along well with his colleagues. During the attachment, he covered the following areas among others;

- Radiology equipment
- Laboratory equipment
- Intensive care unit equipment
- Medical gases
- Theatre equipment
- Laundry equipment
- Electrical repair and maintenance of electrical apparatus
- Renal equipment and reverse osmosis plant
- Workshop procedures

The student was of good conduct and above average in terms of technical capability.

Thank you in advance
