THE DIRECTOR HUMAN RESOURCE MANAGER, ACCORD
MEDICAL SUPPLIES

Dear Hiring Manager,

REF: APPLICATION FOR THE POSITION OF TECHNICAL SALES ENGINEER

I hope this message finds you well and offers you what you have been searching for.

I take the pleasure to express my interest in the position of technical sales engineer at your organization. With a background in healthcare and a strong interest in medical diagnostics and client engagement, I am eager to contribute to your team by promoting high-quality diagnostic solutions and building strong relationships with healthcare providers in communication to promote the company in sales and in marketing.

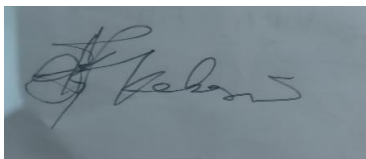

Through my experience in the medical field, I have developed an understanding of clinical environments, customer needs, and the importance of reliable diagnostic services in improving patient outcomes. I am confident in my ability to communicate product value effectively, identify opportunities, and support clients with professionalism and integrity.

I am highly motivated, results-driven, and passionate about advancing healthcare through innovative solutions. I would welcome the opportunity to bring my skills, enthusiasm, and commitment to excellence to your organization.

Please find my CV attached for your consideration. I would be grateful for the opportunity to discuss how my experience and strengths align with your team's goals.

Thank you for your time and consideration.

Kind regards,

A handwritten signature in dark ink, appearing to read 'Evans Ogeto', is shown on a light-colored background.
