Mama Lucy Kibaki Hospital,
P.O BOX 1278-00515,
Embakasi, Nairobi.

25th -06-2026

To Human Resource,
Accord Medical Supplies Ltd,
Nairobi.

Dear Sir/ Madam,

REF: Application for Technical Sales Engineer

I hereby apply for a job at Accord Medical Supplies Ltd. I have six years hands on experience in repair, maintenance, calibration, troubleshooting, installation, service planned preventive maintenance and training of clinicians on proper use and handling of medical equipment. Having worked at Mama Lucy Kibaki Hospital as an intern, Hewa Tele Ltd as plant operator and also sales of medical oxygen and accessories such as oxygen regulators, Kilugungu sub county hospital in the post for biomedical engineer, PMI-Kinga Malaria sponsored USAID in the post for biomedical engineer, Ack Maseno Mission Hospital in the post for biomedical engineer and now as a field biomedical engineer, have made me a competent technical healthcare worker with all the needed technical solutions to handle technical problems on medical equipment.

Working as a freelancer has made me very flexible and always responding quickly to health facilities which have technical problems. I believe in service to humanity and my main mission is to ensure all medical equipment are in good working condition for a healthy society through correct diagnosis by the equipment which also ensures quality and affordable treatment.

Joining you will add value at Accord Medical Supplies Ltd. Through teamwork we shall promote the vision and vision of St. Lucia Hospital. Looking forward for your positive feedback. Thank you in advance.

Yours faithfully,

Antony Orodí Mubwaka.
