ABOUT ME

Name: MD. Rakibul Islam
Father's Name: MD. Rafiqur Rahman
Mother's Name: Jhorna Begum
Date of Birth: 06 - 01 - 2002
Religion: Islam
Blood Group: B (+ve)
Marital Status: Unmarried
Height: 1.65 m
Nationality: Bangladeshi
Permanent Address: ward - 6, Union -
18, P.O. Neyamotkandi, Thana/Upozilla
- Muradnagar, Zilla - Cumilla

LANGUAGE

- Bangla
- English
- Hindi
- Urdu

CAREER OBJECTIVE

I am a Biomedical engineer with skills to address problems in the biomedical industry using engineering principles. I apply a reasoned approach to problem solving, prioritize evidence-based solutions, and seek to collaborate with a team that values accountability, pragmatic solutions, and strong industry partnerships.

ACADEMIC QUALIFICATION

SECONDARY SCHOOL CERTIFICATE (SSC)

MONIPUR HIGH SCHOOL

Group - Science	GPA - 4.39
Board - DHAKA	Year - 2018

HIGHER SECONDARY CERTIFICATE (HSC)

IDEAL COLLEGE, DHANMONDI

Group - Science	GPA - 4.83
Board - DHAKA	Year - 2020

BACHELOR OF SCIENCE (B.SC)

BANGLADESH UNIVERSITY OF HEALTH SCIENCES

Department - Biomedical Engineering	CGPA - 3.64
Faculty - Health Engineering & Technology	Year - 2026

CERTIFICATION

- Certificate in Prompt Engineering for ChatGPT "2024"
- Certificate in Becoming a Great Leader - Leadership Skills "2025"
- Certificate in Best Sports Man - Zilla Annual Sports "2025"

STRENGTHS

- Biomedical Knowledge
- Electrical Circuit Analysis
- Human Anatomy
- Medical Imaging
- Medical Devices
- Biomaterials

SOFT SKILLS

- Possess strong communication and analytical abilities
- Excelling in problem solving within solo and team projects impacting task efficiency.

OFFICE SKILLS

- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint
- Data Entry
- Lead Generation
- Online Maintenance
- Online Accountant

SPECIALITY

- Solution Using AI
- Browsing Expert
- Canva Designer
- Maintain Community
- Teaching
- Driving License

INTERESTS

- Experiment
- Explore
- Cricket
- Football
- Carrom
- Tour and Travels
- Bike and Car Riding
- Debate

EXPERIENCE

TRAINEE

Year: 2025

Institute: BBH Academy of Biomedical Engineering

Training program in Basic Biomedical Engineering

Completed academic and hands-on training in core biomedical engineering principles, with direct experience operating diagnostic and life-support devices such as ECG, Ultrasound machine, Mechanical ventilator, Anesthesia machine, Pulse oximeter, Patient monitor, Syringe pump, and Defibrillator etc.

OFFICE ASSISTANT

Year: 2025

Institute: Biomed Imaging LTD

Office Assistant as Biomedical Engineer

Assisted in the routine inspection, problem identification, product delivery management

CLINICAL OBSERVATION

Department of Nephrology & Dialysis

BIRDEM General Hospital

Department of Nephrology and Dialysis (Unit-I)

Developed practical knowledge of hemodialysis through direct observation and analysis of clinical procedures, focusing on biomedical device operation, patient care workflows, and safety compliance standards.
