01<sup>st</sup> April, 2025

TO WHOM IT MAY CONCERN

**RE: JARED KIPNGETICH**

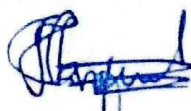

The above-named was attached at The Nairobi Hospital in our **Bio-Medical Engineering Department** from 11<sup>th</sup> November, 2024 to, 07<sup>th</sup> January, 2025.

During his attachment, he acquired hands-on experience in:

- Diagnostic and imaging equipment which includes X-rays, CT Scans' MRI and ultrasound machines.
- Therapeutic and monitoring systems in Theatre, ICU and casualty.
- General Anaesthesia machines, electrosurgical units, patient monitors.
- Physiotherapy equipment, medical gases and vacuum systems.
- Theater machines i.e. anesthetic machines, laser machines, laparoscopic towers.
- Laboratory- microscope, centrifuge, bacteriological incubator and haemocount.
- Central sterilizing and Supply Department - Autoclave.
- Renal Unit - dialysis machines, continuous renal replacement therapy machine.
- Workshop procedures- preventive maintenance and inventory procedures.

Throughout the attachment period, Jared proved to be punctual, hardworking, committed, able to take initiatives and had positive attitude towards work. We wish him all the best in his future endeavors.

Yours Sincerely,  
For: The Nairobi Hospital

  
PP: Alice Nzau  
Human Resource Manager
