

CURRICULUM VITAE

Personal Details

Name: Chepngetich Bergy

Phone: 0727483859

Email: beckiesam44@gmail.com

Personal Profile

I am a dedicated and hardworking biomedical engineering graduate with a Diploma in Medical Engineering Technology (2022). I have a strong passion for supporting healthcare through proper maintenance and management of medical equipment. Through my internship and volunteer experience, I have developed practical skills, teamwork, and responsibility. I am eager to continue learning and contributing positively to any organization I join.

Professional Profile

Biomedical engineer graduate with a year field experience at Advancedmed supply supporting sales and after-sales service for medical devices.

Experienced coordinating equipment delivery, installation and follow up to ensure client satisfaction and repeat business.

Eager to drive sales growth for Accord medical supplies Limited.
