RE: RECOMMENDATION- JOAN NYAWIRA GICHOB I- ID.NO.37400627

The above named was on industrial attachment as a Medical Engineering student at Kerugoya County Referral Hospital in the maintenance department between November and December 2021.

During this period, She has been working hand in hand with skilled and experienced service technologists covering electrical, electronic and mechanical tasks such as:-

1. Safety awareness and practices
2. Fault finding techniques and diagnostics
3. Plumbing
4. Electric (installation and repair)
5. Respiratory equipment
6. Theatre equipment and layout
7. Maternity equipment's and layout
8. Power Plant
9. Sterilization equipment
10. Both internal and external customer relations.
11. Learning the working principles of machines in the hospital.

She is industrious and disciplined with insatiable desire to learn and takes instructions positively.

Any assistance accorded to her will be highly appreciated.

Yours sincerely,

D. NGURE
