EDUCATION

University of Nairobi

BSc Agribusiness Management

Nairobi, Kenya

Oct 2008-Aug 2012

EXPERIENCE

Smart Solar

Field Sales Manager

Nairobi, Kenya

Jun2024-December 2025

- Field Sales team management and metrics management.
- Targeting to new market territories to source for clients through pitch and dealer recruitment.
- Onboarding corporates on partnership levels to work together with our firm as well as patronize our products (Partnerships with CMMB among others).

Koko Networks

Territory Manager

Nairobi, Kenya

May 2022-May 2024

- Decreased my serviceable addressable market from 90 to 15% through modern trade marketing initiatives and general trade approaches.
- I advocated and initiated road shows to increase brand awareness and market access that led to a market penetration rate of 40%.
- Engaged customers through the entire sales cycle from prospecting to close by use of sales approach techniques from cold calls to client pitching.
- I ensured adherence to business plans, increased territory sales productivity by 80%, active rate, channel access up to 90%, metrics achievement through promoter onboarding and sales training.
- Recruited, trained, onboarded and ensured agents productivity is above the baseline channel productivity in driving sales through appropriate agent qualification and sales metrics achievement.

Tata Motors Kenya

Freelance Sales Consultant (Senior)

Nairobi, Kenya

Mar2020-Jan2023

- Prospected and qualified lead towards sales conversion and made use of CRM to track sales progress.
- Increased revenue from my territory by 35% from new businesses and 40% through existing business.
- Did research and scheduled appointments with B2B and corporates in understanding their needs.

Watu Credit

Senior Asset Finance Officer, Sales (Unit Sales Lead)

Kericho, Kenya

Nov2018-May2019

- Eliminated service downtime by 25% and maximized revenue by providing service control.
- Understood the market need and increased revenue by 40% within the first two months.
- I oversaw a sales team and ensured target achievement by 86% for the branch and region as well as from the operations department.
- Ensured clean client loan portfolios by regularly checking data and client engagement.

Adok Timo Microfinance

Senior Territory Sales Executive

Kadongo - Kisumu, Kenya

Apr2013-Aug2017

- I increased sales productivity by 60% in my assigned area by engaging with clients, agents as well as stakeholders.
- Successfully recruited, onboarded and trained agents in my region thereby increasing market penetration by 85% compared to the initial 15%.
- I developed a criterion to ensure adaptability to joint business plans, metrics, sales monitoring by active rate and route adherence.
